Slimline BC - Front & Back

_____ **Full Bleed Zone (starting BC size W94 x H49mm).**
2 mm from left, right, top and bottom side of the Business card. Make sure to extend the background images/Finished artwork all the way to the edge of this black (full bleed) outline for best results.
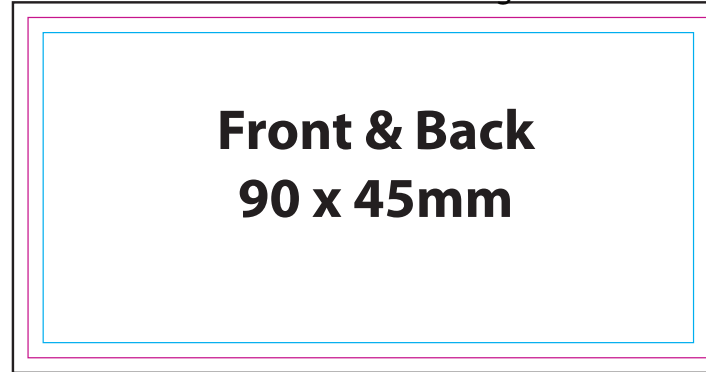

_____ **Trim Size Zone (finished BC size W90 x H45mm).**
This is the actual final cut size of the Business Card design.

_____ **Safe Zone (4mm inside the trim size Zone).**
Please be sure to keep all text within the safe zone margin. Important text or images beyond the blue border area may be trimmed/cut off.

example design

- Your info here
- And your info here as well
- And even your info here if you like
- Also your details could go here
- And your other details and other info here
- And finally your last bit of detail/info right here.

Please Note - save your business card without blue, purple and black frames on the finished Artwork, and use the full bleed dimensions for best results.
